OUR 2019-20 IMPACT

OUR RESPONSE TO COVID-19

During this unprecedented time, we remained entirely focused on our key priority and long standing mission — the needs of our students and families.

In response, we quickly pivoted and redesigned our program delivery model to connect students and tutors at home.

A lack of technological resources affects over 50% of our students and their families. Thanks to a generous donation, we provided 218 Chromebooks to our neediest families.
