Providing weekly one-to-one tutoring to over 1,000 Chicago students

Tutoring Chicago provides free weekly one-to-one tutoring to over **1,000** students facing financial barriers. That's 48 hours of tutoring for students 1st - 10th grade, at absolutely no cost to the families.

Offered both virtually and in-person, individualized tutoring sessions provide all the benefits of regular, weekly instruction combined with the advantages of a steady, supportive relationship.

Tutoring Chicago invites you to become an impact partner and deliver the power of education to more than 1,000 Chicago students this year. As an impact partner, you and your employees can make a significant impact in our students' education through financial support, volunteerism, advocacy efforts and in-kind gifts.

For over 55 years, Tutoring Chicago has dedicated its mission to delivering the power of education to children facing economic barriers through one-to-one tutoring and high-quality programming that is not only academic, but developmental and reflective.

“My child has struggled to like school, and Tutoring Chicago has made it easy for them to fall in love with learning.”
