STUDENTS ENROLLED IN ONE OF OUR DIGITAL TUTORING PROGRAMS THIS YEAR.

Our LIT program pairs students in 1st-6th grade with volunteer tutors who follow a structured reading curriculum and need-based activities. LIT is designed to help struggling readers work towards grade level success. Students meet two times/week and are continually assessed on their progress and growth.

The 2020-21 tutoring year continued as remote-based, digital tutoring. Our student and tutor pairs connected weekly through Tutoring Chicago hosted Zoom sessions, still allowing for high impact, one-to-one programming.
